**WELCOME BACK TO MOVIE NIGHTS**

# **30, FLIRTY, AND THRIVING**

**Welcome! This is the 30th year of movies in Bryant Park, and we couldn't be more excited to have you join us.**

**We've always felt that there is nothing quite like the magic of watching a film on "the big screen" in Bryant Park with thousands of new friends. And, on this momentous occasion of the 30th summer of this iconic series, we thought it was time to highlight friendships.**

**The themes in this summer's movies run deep for all of us – whether you have been the new kid in town or the oddball struggling to find their way, you have found yourself lost (in space), or maybe just down in the dumps – it's our friends that get us through it all, and they are everything.**

**This summer and always, you CAN sit with us! So, grab a blanket and your friends – or make some new ones tonight – and enjoy the show!**
