WELCOME

Friends,

We are so excited to welcome you back for the 2023 season of Picnic Performances!

Over the past few years, Picnic Performances has grown into one of New York City's foremost outdoor celebrations of music, theater, and dance. Last summer more than 75,000 people attended the series, and nearly half a million watched the free performance livestreams.

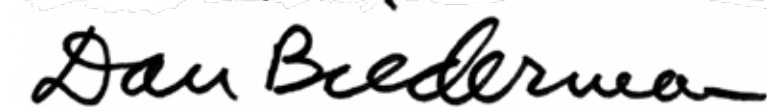

This summer Bryant Park continues to serve as a vital platform for a wide range of NYC arts institutions. We are thrilled to partner again with Carnegie Hall, Alvin Ailey, and New York City Opera and to begin collaborations with Drom, Jalopy Theatre, and Roulette. We welcome world-class local artists as well as performers from as far away as Italy, Colombia, Turkey, Finland, and South Africa.

Picnic Performances is one of the easiest ways to experience this city's extraordinary arts and culture. Bryant Park staff lends out more than five hundred free picnic blankets and sets up hundreds of our iconic bistro chairs. Attendees can bring their own picnic or purchase food and drinks from curated local vendors. There are no tickets or lines: just come to the park and enjoy.

Finally, we extend our sincere gratitude to our neighbors and partners at Bank of America, whose support is critical to the Park, and who makes Picnic Performances possible.

Whether you join us on the lawn or watch from home, we look forward to hosting you!

Sincerely,

Dan Biederman
Executive Director, Bryant Park Corporation

BRYANT PARK PICNIC PERFORMANCES

Presented by **BANK OF AMERICA** 

Welcome to Bryant Park – a jewel in the crown of midtown Manhattan!

We're excited to be the presenting sponsor of the 2023 season of Picnic Performances, marking a decade of partnership between Bank of America and our neighbor, Bryant Park. That's ten years of collaborating on a shared commitment to strengthening our City and reaching thousands by providing green spaces and engaging programming – all while fueling the NYC economy.

At Bank of America, we believe the arts are a unifying force that promote cultural understanding and enrich societies. Picnic Performances celebrates the City's diverse cultural scene and makes it possible for all New Yorkers and visitors to experience world-class art for free. And, when art is complimented by nature, it's a powerful combination!

Enjoy today's performance and we hope to see you back in the park soon – if not this summer then to eat, shop and skate when Bank of America Winter Village at Bryant Park opens this fall!

Sincerely,

José Tavarez
President, Bank of America New York City

ON THE LAWN

The lawn opens at 5pm. Come early for a front row seat, or drop-in at any time.

Blankets

Bryant Park lends out hundreds of free blankets on a first-come, first-served basis – or bring your own cotton or fleece blanket. To protect the lawn, please do not sit on waterproof materials such as plastic tarps, yoga mats, or inflatable chairs.

Chairs

Take a seat in one of the pre-set chairs on the lawn or grab a chair from the gravel. You can use a chair anywhere in the park except for the center-lawn blanket zone.

Food and drink

Bring your own picnic, or purchase food and drinks from tents on the east side of the lawn. Look for the Stout NYC and Hester Street Fair vendors, and be sure to visit the Bryant Park shop, too!

Games

Find a parachute, giant Jenga, and more on the east side of the lawn.

Dogs

We love dogs, but dog urine can leave bald spots on the lawn. Dogs are welcome on the gravel and bluestone, but please no dogs on the lawn.

Weather and rain

Performances are cancelled when it is unsafe to be outdoors. In some cases, the lawn may be too wet to open but the performance may continue. Follow @bryantparknyc for day-of event updates.
